It was a light-hearted group of State officials, with a goodly company of bankers and business men, who gathered at noon for the opening of the bids, enough as to what was in being known already to make it certain that the entire issue was more than subscribed. The aggregate of bids opened to-day was \$2,555,500. The bids were from every part of the State and from various foreign banks, institutions and other corporations.

Governor Kitchen this evening issued his proclamation revoking the call of June 3 for the General Assembly to convene in extraordinary session June 14.

**MAY HAVE THIRD BANK EXAMINER****Second Assistant Likely to Be Appointed by Corporation Commission.**

Commission.

**WILL BUY CHOLERA SERUM**

Endeavor to Protect Hops From Disease—Reward to Officers.

It is probable that the State Corporation Commission will within the next few days appoint a second assistant bank examiner. Indications are that the work will be so heavy under the new law that it will be impossible to handle all of it with the two men who have been appointed—State Bank Examiner C. C. Barksdale, of South Boston, and First Assistant Charles S. Hunter, of Staunton.

The commission has as yet made no decision as to the identity of the second assistant. A number of applications which were filed in the first instance for the other two positions, and which are under consideration, are to be applied to the office yet to be filled, will be considered.

Among the names suggested are the following: R. L. Harris, assistant cashier of the Citizens' Bank of Blackstone, W. Parsons, cashier of the Farmers' and Merchants' National Bank of Olney; John R. Kilby, general bookkeeper for the National Bank of Commerce, Norfolk, and W. Wallace Christian, auditor for the National State Bank of Richmond. Mr. Harris is highly indorsed by citizens and bankers of the Eastern Shore.

The salary, it is expected, will be \$2,000 a year.

Messrs. Barksdale and Hunter have been summoned to meet with the commission for consultation next Wednesday. They go into office on July 1.

**Saving Charter Fees.** A good many charters are now being issued by the State Corporation Commission. Concerns which are anxious to save part of the additional fee which goes into effect on June 15, after that date the fee to the commission will be increased \$4, from \$1 to \$5.

On foreign corporations, however, the entrance fee will be trebled after June 15.

**Department of Agriculture Locates Manufacturer of Article.** Commissioner of Agriculture Kolmer will go to Washington next week to confer with the Department of Agriculture with reference to putting into effect the new law providing for the issuance of hog cholera serum.

Ever since the adjournment of the Legislature the commissioner has been striving to find a source of supply for the commodity. The amount appropriated for the work, \$5,000, is insufficient to allow the establishment of a station in this State to produce serum, and it has been necessary to seek it elsewhere. One source of supply has been found, and it is believed that it will be sold to the farmers at cost.

A former expert of the National Department of Agriculture, who makes a business of this manufacture, has, however, been found. His knowledge and reliability are, from the best information obtainable by Mr. Kolmer, satisfactory. It is probable that a contract will be entered into with him to furnish the stuff. It is to be sold to the farmers at cost.

Thousands of dollars are lost every year in many counties from hog cholera. The serum is a preventive and a cure, and it is believed that by its use many hogs will be saved annually to the farmers of the State.

**Rule Dismissed.** A hearing had been set for yesterday before the Insurance Commissioner Joseph Button, to give the Workmen's Circle, of New York, an opportunity to show cause why its license should not be revoked for failure to furnish a satisfactory report as required by law. **Norfolk Home for Girls.** A charter was entered yesterday by the State Corporation Commission to the Bonney Home for Girls, in Norfolk. This is a purely charitable institution, intended to furnish a home for indigent and helpless girls between the ages of five and eighteen years. They must be children of American white citizens and residents of Virginia. The home is promoted by Jesse T. Bonney, and its board of directors comprises some of the leading citizens of Norfolk.

Veterans Greatly Interested in Approaching Visit to Springfield.

Times-Dispatch Bureau, 100 North Swanson Street, Petersburg, Va., June 10.

The annual meeting of the board of trustees of the Bishop Payne Divinity School was held in this city yesterday afternoon, the Rt. Rev. Robert A. Gibson, D. D., bishop of the Diocese of Virginia, presiding. The other members of the board present were the Rt. Rev. Robert Stranahan, D. D., bishop of the Diocese of Eastern North Carolina; the Rt. Rev. Beverly D. Tucker, D. D., coadjutor-bishop of the Diocese of Southern Virginia; the Rev. John Moncreur, D. D., the Rev. R. A. Goodwin, D. D., and the Rev. M. C. Clarke, D. D., of Richmond; the Rev. W. A. R. Goodwin, of Rochester, N. Y.; the Rev. C. Braxton Bryan, D. D., of Whitehall, and R. O. Egerton, of Petersburg.

The board was in session for several hours, reviewing the past year's work of the institution and considering plans for the future. Financially and otherwise, the school is in highly satisfactory condition. The school has five buildings in this city, with all conveniences and abundant accommodations for its pupils. The school has sixteen divinity students in the school this year, with two graduates—E. H. Hamilton, of the West Indies, and J. G. Ogburn, of Virginia.

The board elected, or rather, re-elected, the following officers for the coming year: President, the Rt. Rev. A. M. Randolph, D. D., bishop of the Diocese of Southern Virginia; Vice-President, the Rt. Rev. Robert A. Gibson, D. D., bishop of Virginia; Secretary, F. Whittle; Treasurer, R. O. Egerton.

All of the Baptist pastors of the city, with a committee representing all the churches, took part in the organization, exercises, which were opened with a song, vice, conducted by the Rev. W. T. Hall, and prayer by the Rev. S. S. Robinson. The Rev. J. M. Pilcher, D. D., presided and called the meeting to order. Dr. Pilcher and the constitution of the church and the committee of fellowship was extended by the reception of churchmen, followed by the reception of candidates for baptism. The Rev. W. C. Taylor, D. D., delivered an address on "Responsibilities and Duties," and the welcoming address was delivered by the Rev. F. W. Moore, followed by responses.

**Interest in Veterans' Trip.** So much interest is being manifested in the visit of A. P. Hill Camp of Confederate Veterans to Springfield, Mass., on July 5, as guests of Wilcox Post, G. A. R., and of this city, that it is expected a really large delegation will go on the trip. The Petersburg veterans are invited to join in the celebration of the National Independence Day, but are also invited to stay in Springfield as long as they feel disposed. This friendly union of the Grays and Blues on Northern soil at the hospitable invitation of Federal veterans has aroused wide interest both in the North and South, and it is believed will result in permanent good in more ways than one.

**Suburban Improvements.** T. Marshall Bellamy, of Norfolk, the owner of the beautiful "Colonial Heights" property, on the Chesterfield side of the Appomattox, opposite the city, is spending a great deal of money in the improvement of that suburb. The road and park places, flower beds are to be made at distances of 100 feet. Water works and electric light system are to be installed.

**Personal and Otherwise.** During their visit to Petersburg yesterday afternoon the veterans of R. E. Lee Camp called in a body on Mrs. Wm. Mahone at her residence in South Market Street, and paid their respects. They were cordially received and the visit was one of mutual appreciation.

It is reported to-day that the condition of Police Officer Bridges, who was seriously wounded in a street duel in Ettrick Tuesday night, in which Lazarus Moore was killed, is rather critical.

**FEMALE THIEF CAUGHT IN ACT**

Captain McMahon Nabs Pick-pocket Just as She Robs Customer.

In the arrest of Lou Charity, colored, yesterday by Captain of Detectives McMahon an instant after she had robbed Mrs. J. Wallace Snellings, who lives near South Richmond, on the Petersburg Turnpike, while shopping in Cohen's, the police claim they have apprehended in this city a female pick-pocket in Virginia. For months Lou Charity has been suspected of visiting stores and robbing customers.

When a report was received by the police yesterday that Mrs. B. M. Robertson, of 1423 Porter Street, had been robbed while in Cohen's store, Captain McMahon determined to catch the thief. He accosted himself in the store and kept watch on persons therein. He had been watching but a short time when he saw Lou Charity deftly extract a small purse from the hand bag upon Mrs. Snellings' arm. He then arrested her.

Captain McMahon detailed several detectives and Sergeant Wilkey to search the Charity woman's room. They found a large number of pawn tickets, a sterling silver reticule, knives and forks, a brooch, watch chain and other trinkets, as well as a small purse. The reticule was valued at \$25. The names of eighteen women who have been robbed in various stores recently have been found by Sergeant Wilkey, who has charge of the case. The woman will have a hearing tomorrow before Justice Crutchfield.
